When & where was the first UNFCCC Conference of Parties (COP) took place?	April 1995 in Berlin, Germany	June 1992 in Paris, France	August 1997 in Kyoto, Japan	Dec 1995 in Zeneva, Switzerland
<p>Which among the following are principle concerns with 'professional ethics'</p> <ul style="list-style-type: none"> <li>1) To study ethical dilemmas in professions by application of moral theory</li> <li>2) The study of unique moral obligations created by special social roles</li> <li>3) The practice and consultancy of ethics by a trained professional ethicist</li> <li>4) The ethical challenges of a professional lifestyle</li> </ul> <p>Which of the following are correct?</p>	1 and 2	2 and 3	1, 2 and 3	1, 2, 3 and 4
Which of the following environmental law allows private rights to use a resource that is, groundwater, by viewing it as an attachment to the land?	Easement Act	Indian Fisheries Act	Factories Act	CRZ Notification

<p>Consider the following statement (s) related to the Coastal Regulation Zone Notification.</p> <p>A. It puts regulations on various activities, including construction, are regulated.</p> <p>B. It gives some protection to the backwaters and estuaries.</p> <p>Code:</p>	Only A	Only B	Both A & B	Neither A nor B
<p>Consider the following statement (s) related to the Water (Prevention and Control of Pollution) Act.</p> <p>A. It provides for the protection of birds and animals and for all matters that are connected to it whether it be their habitat or the waterhole or the forests that sustain them.</p> <p>B. It aims to deal with waste arising from ships along the coastal areas within a specified radius.</p> <p>Code:</p>	Only A	Only B	Both A & B	Neither A nor B

Which of the following environmental law empowers the central and state pollution control boards to meet with grave emergencies of air pollution?	Air (Prevention and Control of Pollution) Amendment Act	Environment (Protection) Act	Air (Prevention and Control of Pollution) Rules	Objective of Hazardous Waste (Management and Handling) Rules
a. National Environmental Tribunal Act 1. 1995 b. Public Liability Insurance Act and Rules 2.1991 c. National Environment Appellate Authority Act 3.1997 d. Biomedical waste (Management and Handling) Rules 4.1998 Code:	4 3 2 1	4 1 3 2	1 2 3 4	1 4 3 2

<p>Consider the following statement (s) related to the Biological Diversity Act.</p> <p>A. This has been laid down for the regulation of production and consumption of ozone depleting substances.</p> <p>B. It is an act to provide for the conservation of biological diversity, sustainable use of its components, and fair and equitable sharing of the benefits arising out of the use of biological resources and knowledge associated with it.</p> <p>Code:</p>	Only A	Only B	Both A & B	Neither A nor B
Which of the following is the oldest environmental law in India?	Wildlife Protection Act	River Board Act	Factories Act	Easement Act
The 'Sendai Framework" is related to	global warming	ozone depletion	disaster management	biodiversity conservation
<p>The National Green tribunal (NGT) hears matters relating to</p> <ol style="list-style-type: none"> <li>1. biodiversity</li> <li>2. climate change</li> <li>3. forests</li> <li>4. water</li> </ol> <p>Select the correct answer using the codes given below.</p>	1, 2 and 3 only	1 ,3 and 4 only	2 ,3 and 4 only	1 ,2, 3 and 4

<p>Literate women can help in:</p> <p>(a) Reducing infant mortality rate</p> <p>(b) Reducing population growth</p> <p>(c) Promoting female children education</p> <p>Code:</p>	a and b	only a	a and c only	a, b and c
<p>Regarding “carbon, credits”, which one of the following statements is not correct?</p>	<p>The carbon credit system was ratified in conjunction with the Kyoto Protocol</p>	<p>Carbon credits are awarded to countries or groups that have reduced greenhouse gases below their emission quota</p>	<p>The goal of the carbon credit system is to limit the increase of carbon dioxide emission</p>	<p>Carbon credits are-traded at a price fixed from time to time by the United Nations Environment Program</p>
<p>The “Red Data Books” published by the International Union for Conservation of Nature and Natural Resources (IUCN) contain lists of:</p> <ol style="list-style-type: none"> <li>1. Endemic plant and animal species present in the biodiversity hotspots,</li> <li>2. Threatened plant and animal species.</li> <li>3. Protected sites for conservation of nature and natural resources in various countries.</li> </ol> <p>Select the correct answer using the codes given below:</p>	1 and 3	2 only	2 and 3	3 only

<p>Human activities in the recent past have Caused the increased concentration of carbon dioxide in the atmosphere, but a lot of it does not remain in the lower atmosphere because of :</p> <ol style="list-style-type: none"> <li>1. its escape into the outer stratosphere.</li> <li>2. the photosynthesis by phyto-plankton in the oceans.</li> <li>3. the trapping of air in the polar ice caps.</li> </ol> <p>Which of the statements given above is/are correct?</p>	1 and 2	2 only	2 and 3	3 only
<p>In which one among the following categories of protected areas in India are local people not allowed to collect and use the biomass?</p>	Biosphere Reserves	National Parks	Wetlands declared under Ramsar Convention	Wildlife Sanctuaries
<p>Which of the following can be found as pollutants in the drinking water in some parts of India?</p> <ol style="list-style-type: none"> <li>1. Arsenic</li> <li>2. Sorbitol</li> <li>3. Fluoride</li> <li>4. Formaldehyde</li> <li>5. Uranium</li> </ol> <p>Select the correct answer using the codes given below.</p>	1 and 3 only	2, 4 and 5 only	1, 3 and 5 only	1, 2, 3, 4 and 5

the most important strategy for the conservation of biodiversity together with traditional human life is the establishment of	biosphere reserves	botanical gardens	national parks	wildlife sanctuaries
Which of the following have coral reefs? 1. Andaman and Nicobar Islands 2. Gulf of Kutch 3. Gulf of Mannar 4. Sunderbans Select the correct answer using the code given below.	1, 2 and 3 only	2 and 4 only	1 and 3 only	1, 2, 3 and 4
With reference to 'Global Environment Facility', which of the following statements is/are correct?	It serves as financial mechanism for 'Convention on Biological Diversity' and 'United Nations Framework Convention on Climate Change'.	It undertakes scientific research on environmental issues at global level	It is an agency under OECD to facilitate the transfer of technology and funds to underdeveloped countries with specific aim to protect their environment.	Both (1) and (2)
The sum of all emissions of carbon dioxide which were induced by an entity's activities in a given timeframe is called	Carbon Footprint	Carbon Intensity	Carbon sinks	Carbon sequestration

Find out the incorrect statement w.r.t. "The National Green Tribunal"	The Tribunal is the sole adjudicator of all green laws	The Tribunal allows 'any person aggrieved, including any representative body organizations to file application for the grant of relief	Adjudication by the green tribunal is final and no appeal is allowed	Protecting pollution control boards
The basic objectives of The United Nations Framework Convention on Climate Change (UNFCCC or FCCC) is:	To stabilize the melting ice of Antarctic Ocean	To "stabilize greenhouse gas concentrations in the atmosphere at a level that would prevent dangerous anthropogenic interference with the climate system."	Reduce the carbon emission upto the level of 1992	Stabilize the ozone layer depletion
What is the full form of NAMP?	National Ambient Air Quality Monitoring Program	National Air Quality Measuring Program	National Ambient Air Quantity Monitoring Program	National Air Quality Monitoring Protocol

Knowledge and skills from all of the following disciplines should be represented on every food borne outbreak investigation team EXCEPT	Environmental health	Epidemiology	Laboratory	Veterinary medicine
What is the impact of food processing on the environment?	Create loss in the vegetation	Create disposal problems	Create forest fire	Create deforestation
What is the term used for the use of resources for industrialization?	Pollution	Urbanization	Extraction	Waste material
What is the authority constituted by Government of India for the implementation of the Ganga Action Plan?	Central River Authority	Central Ganga Authority	Ganga Implantation Scheme	State Ganga Authority
What are the three R's that are used to save the environment which includes forest?	Reduce, Reuse, Recycle	Reserve, Reduce, Recycle	Reuse, Reserve, Reduce	Reserve, Reuse, Reduce
When does an Environmental Policy achieve positive results?	When policy addressed to urban issues	When policy addressed to local issues	When policy addressed to international issues	When policy addressed to national issues
In which of the following Greenpeace is fighting against?	Commercial fishing	Commercial farming	Commercial rattling	Commercial Whaling
The United Nations Framework Convention on Climate Change (UNFCCC or FCCC) is also known as:	Kyoto protocol	Vienna convention	Earth summit	Agenda 21
