

# Plant Ecology and Biodiversity

Item Text	Option Text 1	Option Text 2	Option Text 3	Option Text 4
Interrelationship between biotic and abiotic compound is known as ....	environment	ecology	geography	topography
Green trees are .....	autotrophic components	heterotrophic components	abiotic components	decomposers
Cow is known as.....	parasites	carnivores	omnivores	herbivores
Ozone layer depletion, greenhouse effect and acid rain is takes place due to.....	air pollution	water pollution	soil pollution	noise pollution
Deforestation means.....	Vanmahotsav celebration	conservation of plants by devrai	Cutting of forest	Maintenance of forest
Presence of extraneous materials in a particular environment in concentrations that are harmful to living organisms known as....	Industrialization	Population	Urbanization	pollution
Due to drought condition..... is caused	desertification	deforestation	unfertility of soil	salinity of soil
Continuous walking and use of bike can reduce.....	global warming	soil pollution	ozone depletion	water pollution
Increase of earth average surface temperature due to effect of greenhouse gases is known as.....	ozone depletion	global warming	greenhouse effect	environmental impact
EIA gets originated during ..... period.	first world war	second world war	Cold war	Vietnam war
In EIA, .....works against certain conditions.	implementation	monitoring	decision	judicial review
Strategic environmental assessment is authority for.....	use of infrastructure	water purification plant	prevent impact	evaluation of industries
Considering public involvement in EIA .....	identify environmental problems	facilitates the design	cost saving	examine effect of project
EIA is an important management tool for.....	optimal use of resources	study of earth	reducing effect on environment	investigation of specific issue.

# Plant Ecology and Biodiversity

For setting new project, EIA makes mandatory by ministry of environment and forest govt. of India from.....	27-Jan-90	27-Jan-92	27-Jan-94	27-Jan-96
Study to predict the effect of proposed activity on environment is.....	EIA	environmental audit	economics	remote sensing
In EIA, .....is not conducted for all projects.	Screening	Scoping	term of reference	public participation
Environmental audit carried out by following ISO standard.....	14011	2008	2009	2015
Environmental audit helps to.....	improve the soil reclamation	improve educational event	improve standard of living	improve existing human activity for environment
Environmental audit is essential because.....	accuracy of the models	environmental legislation pressure	surveying the industries	for formation of board
High environmental risk industry is.....	production of fruit product	production of papers	production of electricity	production of confectionary
Certificate issued to audit client is signed by .....	executive magistrates	district collector	state pollution agency	lead auditor
